

Teen Advisory Agenda and Brainstorming Sheet

April 24th, 2023

Sign in and get snacks!

Book ordering: what are some upcoming books that you're excited about? Or books that you wish we had more of, especially non-fiction? Also, **video games!** What's coming out soon? Be as specific as possible.

Displays: what should our display theme be for **May**? Display themes can be anything! Fantasy with cool female characters, super-scary thrillers, books that disappointed you, books you'd read again and again, books with a face/dog/blue cover, easy books for the beach, etc.
